1. Review Cycles

Helios runs two performance review cycles each year: a mid-year review in April and an annual review in October. Only the October review is tied to compensation changes and promotions. Employees hired after August 1 skip the October cycle and receive their first formal review in April.

2. Timeline for the October Cycle

Week	Activity
Week 1	Self-assessment opens in Workday
Week 2	Peer feedback (3 to 5 peers chosen by the employee and approved by the manager)
Week 3	Manager writes the review and proposes a rating
Week 4	Calibration sessions by department
Week 6	Review conversations; ratings released

3. Rating Scale

1 – Does not meet expectations; 2 – Partially meets expectations; 3 – Meets expectations; 4 – Exceeds expectations; 5 – Exceptional. A rating of 1 or 2 requires a written Performance Improvement Plan (PIP) of 60 days.

4. Promotions

Promotion nominations are submitted by managers during week 3 of the October cycle and reviewed by a department promotion committee. Employees must have been in their current level for at least 12 months to be eligible.
