Pending Litigation Summary (Privileged and Confidential)

Document ID: LEG-003 | Department: LEGAL | Category: REPORT | Owner: General Counsel | Version: 1 | Effective: 2026-09-30 | Classification: RESTRICTED — attorney-client privileged

1. Summary

As of September 30, 2026 Helios is party to two pending matters. This summary is for the Legal department only. Do not forward.

2. Matter A — Contract Dispute with Brightline Logistics (fictional)

A former customer alleges breach of the service level agreement for the period March to May 2026 and claims damages of $1.2 million. Helios disputes the claim. Mediation is scheduled for January 14, 2027. The current reserve is $250,000.

3. Matter B — Patent Assertion by Quantafold LLC (fictional)

A non-practicing entity alleges that the Helios demand-forecasting module infringes one patent. Outside counsel estimates the probability of an adverse outcome as low. No reserve has been recorded. Responses to the complaint are due November 20, 2026.
